

Sant Muktabai Arts and Commerce College, Muktainagar
Department of Geography
Report of Field visit 2018-19

Name of the Teacher: Dr. P. S. Deshmukh

Class: FYBA

Students' Strength: 98

Subject: Environmental Studies

Project Title: Environment Importance and Impact of Pollution on Pilgrimage
Field Place- A Case Study of Sant Muktabai Temple and Area (New)

Date: 14/03/19

Time: 10:00 am onwards

Place of visit: Sant Muktabai Temple, Muktainagar

Objectives of the field visit:

1. To create awareness about pollution at religious places
2. To study the impact of pollution on the religious places
3. To study the causes of pollution at the religious places

Actual Report of the visit:

1. The gathering of pilgrims causes the sound, air, and water pollution.
2. The solid waste is produced. So there is a need to manage solid waste at the religious places.
3. The pilgrims defecate at open places which results into the air and water pollution.
