Perspective /Strategic Plan

of

2014-15

To

2018-19

INTRODUCTION

The present Perspective Plan has been prepared for the period of five years commencing from the academic year 2014 to 2019 by taking into consideration the quality indicators of seven criteria of NAAC. The college IQAC committee, Head of the departments, and the principal, provided the guidelines for preparing the plan. It was discussed thoroughly in the IQAC meetings. Inputs from all stakeholders, their expectations, management policies and goals and objectives of the college have been used as the base in formulating the perspective plan.

IQAC always strives to enhance the quality culture in academic and administrative activities in the college and assists to maintain quality culture and create student centric environment in the college. The feedback collected from the students, employees and other stakeholders is analyzed, and the data is adopted for the enhancement quality. IQAC maintains the documentation of various activities leading to quality enhancement at the departmental and faculty level.

IQAC plays a vital role in maintaining and enhancing the quality of the institution and suggests quality measures. Feedback from all the stakeholders and the recommendations of the IQAC are taken into consideration and innovations are incorporated in the perspective plan. PBAS based self appraisal of the teachers, encouragement to teachers for research through their involvement and contribution in seminars, conferences at national and international level, establishment of staff academy are some of the measures undertaken on priority basis for quality sustenance and enhancement as a strategy.

The Perspective Plan has been discussed, reviewed and approved in the local managing committee of the college. It is our sincere effort to prepare the framework for our collective efforts directed towards the attainment of our goals.

The functions of the IQAC Cell are:

1. Development and application of quality benchmarks/parameters for various academic and administrative activities of the institution;
2. Facilitate to create learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process;
3. To arrange for feedback from students, parents and other stakeholders on quality-related institutional processes;
