Sub: Curriculum Feedback from Teachers.

Sir,

We have taken feedback from the teachers on B.Sc. Chemistry curriculum. They have given some suggestions with respect to content and execution of the syllabus. We hereby forward the data of feedback analysis to you. We hope that the data will be useful to the BOS of the respective subject. Please forward the data to the concerned BOS chairman so as to incorporate the suggestions made by the students during syllabus framing.

Academic Year: 2021-22

Curriculum Feedback from teachers:

Analysis report

The department of Chemistry has taken feedback on curriculum from the teachers on each courses semester wise. The opinions noted by the teacher carry 100% weightage for each point. Prof. N.R. Pachpole, the HOD of Chemistry department, Assistant Professor, proposed that the students lack learning abilities due to the effect of Corona period, lockdown and online learning. To strengthen the learning abilities of the students, a course on improvement for concentration abilities should be introduced. This is a vital life and learning skill. So it was suggested that a 30 hours course on "Basic concept of spectroscopy should be introduced.
