16. Academic bank of credits (ABC):

The syllabus by the University is also based on credits & certificate based. Through this mode, student academic data is held and the academic awards are stored. The credit-transfer of and the certificate are implemented here. It is the advancement process of students through learning. The accounts of students will be opened to adopt multiple options to enter into colleges and universities. It will bring the quality of education with multiple innovations. The credits earned by students will be managed and checked. The main objectives of ABC are "Student contric education, learner friendly teaching, interdisciplinary teaching, choice based courses & providing education at homes."

Keeping these objectives in mind, the central government implemented the educational policies like NEP & ABC as the significant backbones of the education system. The ABC is a storehouse for the credits of the students with the multiple choices to be checked students excellence at any time for their skillful professionals and overall growth. It is a wide door to Indian education to extend to a great height.

The ABC will process of maintaining students accounts regularly with the online touch for the government for being seven years' validity. The students can seek admission directly in the second year at any

university with his own freedom of adopting diploma or certificate. The ABC in short will check students' credit record.

The student must open his ABC account with his "name, address, certificates & his course details." The student will log then at any given point to see his earned credits. The credit system will be as per the courses he has adopted and the credits will be automatically awarded to the student. The college will fill out the details & upload the deposits in his ABC account on the digital portal. The evaluation & verification of credits will be carried out by ABC at regular intervals. He can transfer his credit with the ABC. The students will adopt online as well as offline courses among which the important are "NPTEL, SWAYAM & V-LAB." The credit validity of seven years will change as per the course or discipline type. The students will get benefited with 'Skill-Oriented' education with the choice based Syllabus. This is the best educational system to increase student's profession in future to make him life-oriented to be fitted in economical wallet of life.

3.4 - Extension Activities

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

NSS Unit, Yuvati Sabha Cell and Student Welfare Cell conduct these activities. Concerned departments and cells sensitize students towards social issues through their various activities. Lectures of eminent personalities are conducted on social issues to ensure holistic development of students.

NSS unit earnestly challenges students to inculcate national integration in the neighborhood society. Every year a village is selected in the vicinity and college organizes a seven days residential camp and organizes cleanliness campaign, village survey, awareness of soil and water conservation, organ donation, cash-less society, disaster-management, caste-less India, eradication of superstition, save energy, social health program, anti open defecation, competitive examinations, laws awareness, stri bhrun hatya, tree plantation, etc. During last five years, we have organized camps in Karki and Ramgarh, a tribal village.

In Ramgarh, students performed street plays to prohibit against permanent addiction of alcohol. They made awareness of education, cleanliness, health, voter rights, government schemes, etc.

College also conducted cleanliness campaign throughout slum areas, bus stand area, Gram Panchayat, and Maha-Shramdan & tree plantation program through forest department of Muktainagar. College has planted and preserved trees to green college campus.
